A Message From the President

Dear valued members,

As the end of the year is approaching I would like to thank you all for a great 2009 and look forward to an even better 2010. One of my main goals at the Lodge is to continuously improve our product for the members and staff. Over the past year the all-in-one menu was implemented, main bar renovations were completed, a new roof was installed, the bar entrance way was repaired and painted, Sunday breakfast was started and last but not least, Bocce Bill has taken the Bocce League to forty teams added two new outdoor courts with a new lighting system. As we move forward there is one thing that will not change, that is our commitment to you, our members and the Hershey Italian Lodge Family to continue to make this a friendly and inviting club where everyone can gather and have an enjoyable experience.
