From the President and the Executive Board

Dear Valued Members,

It is with great excitement that I tell you the remodeling of our main bar and new casual dining areas are complete and open for business. With only a few minor details to finish, the club has never looked better. In addition, the new "Great Italian Menu" is complete and now offered throughout the club. This all-in-one menu, which includes the "Casual Dining" section, has all your favorites plus some new items for your enjoyment. The one thing that makes this carefully constructed menu great is that we lowered the prices on nearly all the items. These price reductions were not just a penny here and a penny there, but some significant amounts. The new menu also has a beautiful wine list that offers some of the best wines for your money, at prices you will not find anywhere. Most of the wines are offered in the \$20 range and lower. If you have not visited us lately, you need to get back to the best place in town for food, spirits and good times – your own club – the Hershey Italian Lodge.

The renovations include an entirely new main bar with rich cherry wood finishes and a beautiful black natural granite top. We have also expanded the casual and bar dining area with matching granite tables, new carpet and tile. It is just beautiful and you need to come see it. A special thanks to Frank Intrieri Construction and Grubic's Flooring America for a beautiful job.

Remember, as a private club we depend on the continued support of our members to keep our club strong, thriving and beautiful. So please keep us in mind the next time you decide to go out, whether it is for an elegant dinner, a quick bite to eat, or just a refreshing drink. And please do not forget that we offer services to our members and the public for all events, from small business meetings to large weddings and banquets.

Thank you again for your continued support. The Hershey Italian Lodge Family looks forward to seeing you soon and often at the Lodge.

From the Ladies Auxiliary

The Ladies Auxiliary recently elected new officers. They are:

President, Jean Allegrini • Vice President, Heather Grubic • Treasurer, Adrian Lutes • Secretary, Julie DeDonatis

We would like to thank the past president/treasurer, Mary Conkle, and the vice president/ secretary, Marian Grubb, for all they did to serve the auxiliary and the Lodge.

The auxiliary meets on the first Monday of every month, with the exception of January and February.

The group recently held its annual fashion show, which was a big success – surpassing the previous year's attendance. Nearly 200 were in attendance as New York City fashions by Head to Toe Boutique in Annville were modeled. A lite lunch buffet was served, and an Italian auction was held. Many gifts were donated for the auction by local businesses. If you missed this event, be sure to catch it next year. But get your tickets early...it is sure to sell out.

If you would like to be a member of the ladies auxiliary, please call the office for the date and time of the next meeting. Any female member of the Lodge can join. This is a fun group of ladies who support the pursuits of the club. All are welcome!

Renovation News

The renovation is complete and, with only a few minor details to finish, the Hershey Italian Lodge has never looked more beautiful. The main bar was renovated by building a new bar. The new bar is just beautiful. The bar is solid wood and custom mill work with a rich deep cherry wood finish. The floor was stripped and new carpet and tile was installed. A new drink rail was added around the stairway and new bar tables that are bigger and made of matching granite were added for a more comfortable casual dining experience. The new expanded casual dining area also has matching granite tables and beautiful booths. They make for a great relaxed non-smoking area for those who want to dine but still be in the bar atmosphere. We want to thank Frank Intrieri Construction for a great job with the renovation. Frank Intrieri Jr. and Senior were great to work with and made this an easy job. We also want to thank Grubic Flooring America for the great job they did on the flooring. Frank and Heather Grubic are members of our club and have done work for us over many years, providing a great service to the Lodge. Frank Leshner of Leshner Marble and Granite made the bar top and tables, and Woodlure constructed the woodwork for the bar. Please keep all these companies in mind when you need renovation work. We also are very grateful for the help of many club members during demolition. Their help saved the club countless hours and dollars.

The long-awaited, new Hershey Italian Lodge Great Italian Menu is finally done. Created by our own President and inspired by his great love and passion for the Hershey Italian Lodge – family, friends, good food and great wine – your every sense will be overwhelmed with joy. The new menu has many of your favorite and some new items. Not only will you be presented with many choices and a good variety, but you will also learn to speak some Italian with the new menu. After many months of perfecting the new menu, the last step was to lower the prices. The Great Italian Menu has much to offer at the lowest prices around. Come and dine with us and see for yourself the great quality and service provided for our members and guests. At the Lodge, we want you to feel like a King or Queen for the day without paying those royal prices.
